

Aliens on Planet Gurgle

I am an alien on Planet Gurgle
I have three eyes hanging on my head
I talk to my friends by gurgling water
And suction cups stick us upside down in bed!

I am an alien on Planet Gurgle
I have ten feet to help me walk fast
I like to read books about the hot fiery sun
But I can't go there in case it goes BLAST!

I am an alien on Planet Gurgle
My body is shiny see-through like glass
My favourite game is skating on hands
While I'm listening to CBeebies podcasts

I am an alien on Planet Gurgle
My ears are as big as elephants
I write very funny poems
And I wear green dinosaur pants.
