

# Our Aims

At Oxford High School (OHS) it is our vision that every student will *Go Beyond*:

- **Educationally** - every student is inspired to break through their own perceived limits and thrive at all levels
- **Pastorally** - every student is supported with a net to catch them and raise them up to face their challenges with spirit, integrity and courage
- **Co-curricular** - every student to have the spirit and courage to say yes to opportunities, to fail with grace and rise with tenacity
- **Community** - every student to give actively to others, their school, and the greater community to engender a sense of belonging

Because these are all people who will change the world for the better.
