1. HEAD'S RESPONSIBILITIES

As Head I am responsible for the health, safety and welfare of the staff, pupils and visitors to the school and in respect of all activities carried out both on and off school premises where these are arranged under the auspices of the school. I am also responsible for ensuring that the requirements of the GDST's H&S Policy are implemented in the school.

My specific responsibilities are as follows. Some of these responsibilities I have delegated in writing and this document describes these and also describes the advisory arrangements within the school.

- a) To ensure that standards of health and safety are regularly reviewed and monitored to ensure that all areas, machinery and equipment, working practices and procedures are safe and in compliance with legal requirements and Trust guidance;
- b) To ensure that all staff, pupils and visitors are appropriately and adequately instructed and/or trained in safe procedures and working practices. Detailed guidance on training requirements is given in the H&S Training Matrix on the H&S pages of the HUB;
- c) To ensure that:
 - i. Area, Activity, Hazard Specific (e.g. Manual Handling) and Person Specific (e.g. employee pregnancy) Risk Assessments are completed and regularly reviewed, the controls are implemented, and significant information arising from the risk assessments is provided to those affected;
 - ii. Risk Assessments for members of staff with special needs or disabilities are completed and relevant information is cascaded to the necessary people and departments in order that appropriate action can be taken, e.g. Surveyor (if physical adaptations are required to the building), first aiders (in case emergency assistance is required), premises team (if ramps, etc. are required), IT teams (if specialist IT equipment is required).
- d) To ensure all significant accidents, incidents (e.g. fires) and serious near misses are recorded on the Sphera / RIVO Safeguard website; are investigated and, where possible, actions are taken to prevent them reoccurring; and to ensure where necessary incidents are reported to the HSE under the RIDDOR.
- e) To appoint an appropriately qualified School Nurse and first aiders and to provide appropriate first aid equipment and facilities, which are checked regularly.
- f) To undertake the duties of 'The Responsible Person' as laid down in the Regulatory Reform (Fire Safety) Order 2005. (See Fire Safety section on the H&S HUB).
- g) To make sure that the conditions of any local authority licences are observed.
- h) To ensure the safe storage, use and disposal of hazardous substances, in compliance with Trust procedures and statutory regulations.

- i) To ensure that the risk of slip, trip and fall incidents is, as far as possible, eliminated by maintaining all internal and external flooring, walkways and pedestrian routes in good condition and free of obstructions and contamination that might cause a hazard.
- j) To ensure, as far as possible, that preventative health measures are taken to address occupational illnesses, such as work-related stress, and to ensure that staff are aware of the Employee Assistance Programme and the Occupational Health Service provided by Health Assured via the GDST HR Department.
- k) To post warning notices and signs that comply with The Health and Safety (Safety Signs and Signals) Regulations 1996 where risks cannot be adequately controlled in other ways, or to indicate safe conditions/safety equipment.
- l) To inform the school's H&S Co-ordinator and the relevant staff at Trust Office of any special or newly identified risks or new risks about to be introduced.

2. DELEGATED EXECUTIVE RESPONSIBILITY

I am responsible directly for any area within the school (and any off-site school premises) and any activity for which I have not specifically delegated responsibility below. When I have delegated responsibility below those persons have authority to enforce the Trust's Health & Safety Policy in the areas or in respect of the functions for which they are responsible. They must notify me and the school's Health & Safety Co-ordinator of any new or special risks arising in their areas and also of any precautions that have to be taken to minimise the risk and they must report to me any breach of safety regulations.

Where persons with delegated responsibility are absent for long periods, adequate substitution must be made in writing with copies to me and such employees and other persons as may be affected.

Heads of Department

Every Head of Department is responsible for ensuring, as far as is reasonably practicable, the safety of staff, pupils and other persons in their Department. 5. INDIVIDUAL RESPONSIBILITY

All members of the school staff and other persons entering the school's premises are responsible for exercising care in relation to themselves and others who may be affected by their actions. All employees must comply with the health and safety procedures provided by the Trust and/or the school and must not interfere with anything provided in the interests of health and safety. Those in charge of visitors should ensure, where appropriate, that the visitors obey the safety rules of the departments and are aware of who to approach for

advice.

EVERY EMPLOYEE MUST:

(i) Take reasonable care of their own and other people's health, safety, and welfare. (ii) Comply with the GDST's H&S rules and procedures and fully co-operate regarding all health and safety matters.

(iii) Make sure that all work is carried out in a safe way and in accordance with any training or instructions they have received, the guidance on the HUBs H&S pages and any other relevant safety documents. If in doubt, always seek expert advice from those listed above.

(iv) Protect themselves and others by wearing safety equipment issued to them, and by using any guards or safety devices provided.

(v) Not interfere or misuse anything provided for health and safety purposes. (iii) Obey all instructions given by a responsible person in respect of health and safety. (v) Warn their line manager and the Health & Safety Coordinator if there are any special, new, or preventable risks in their working environment or working procedures that are putting anyone's health, safety, and welfare at serious risk.

(v) Offer any advice and suggestions that you think may improve health and safety. (vi) Report all potentially dangerous incidents or accidents in accordance with the guidance in the Accident Reporting section on H&S GDST Hub.

(vii) Familiarise yourself with the guidance in the GDST H&S Handbook and the school's procedures for:
Action to take in the event of an emergency, e.g. fire, violent intruder;

Action to take if someone requires first aid assistance

Welfare of students with allergies, asthma and epilepsy.

If in doubt about any process of the safety of equipment, consult your supervisor or the Health & Safety Coordinator or if necessary, myself.
